

Pampered Pets Veterinary Clinic and Spa

J. Brian Ledger, DVM

805 W. Covell Road, Suite 700 Edmond, Ok 73003, 405-340-8387

Client: _____ Patient Name/ID: _____
Phone: _____ Breed – Species: _____
Cage: _____ Age: _____
Arrival Date: _____ Sex: _____
Departure Date: _____ Current Weight: _____

All pets must be current on monthly prevention and have a current fecal and heartworm test on file. If not current the tests and prevention will be done at the clinic at the owner's cost. If any parasites are found on pet while boarding, we will require a dose of prevention to be applied to the pet.

We accommodate and welcome special needs pets. However, there may be additional charges for pets that need one on one care.

**Name of Veterinary Quality Flea and Tick Prevention: _____
Name of Veterinary Quality Heartworm Prevention: _____
What is the date the prevention was last applied?: _____**

**Is there any medical history we should be aware of:
Is your pet on any medication? If yes, list below:**

1. _____
2. _____
3. _____
4. _____

All medication must be brought in their original bottles, and a dispensing fee will be added to their reservation.

Medical care will be given to pets that require medical attention while boarding. We will contact you by your preferred method to discuss treatment. Dr. Ledger will do basic treatment for the pet's welfare at the owners expense until we are able to reach you. If you agree ahead of time you can request whatever treatment necessary if we are not able to contact you.

____ I agree to do basic treatment of my pet until I can be contacted

____ I agree to do whatever treatment necessary even if I cannot be contacted

**If major medical need arises all patients will be transported to Blue Pearl Veterinary Emergency and Critical Care Hospital for treatment at the owners expense.*
